

✓ AVAILABLE IN AUSTRALIA, USA

Ideal for the projects of 2,000 people, it is a single-sided water dispensing unit with a built-in smart TV for advertising and promotion. It has ten bottle refill taps and two water bubblers, including two child-friendly and wheelchair-compliant taps. It can be installed, removed, delivered, set up, packed down, and collected by trained and qualified staff, and the hoses are covered with reflective trafficable bump stops. The unit is cleaned and sanitized monthly to meet health department regulations.
